ORDER:

In the G.O., third read above, orders were issued according administrative sanction of Rs.251.30 Crores under PLAN (MDR) for the work “Construction of High Level Bridge across River Krishna connecting Kollapur in Mahabubnagar District and Siddeswaram in Kurnool District including widening of existing R&B single lane road to double lane road from Nagar Kurnool to Kollapur and the releases will be made based on progress of works which will be taken up in a phased manner.

2. In the reference fourth read above, the Engineer-in-Chief (R&B) SR, Hyd., among others, has stated that the sanctioned amount of Rs. 251.30 Crores involves the works i.e., (a)Construction of HLB across river Krishna connecting Kollapur in Mahaboobnagar district at an estimated cost of Rs. 193.00 Crores (b) widening of existing R&B single lane road to double lane road from Nagar Kurnool to Kollapur for Rs. 50.50 Crores and (c) formation of bye-pass road to Kollapur town for Rs. 7.80 Crores. At this juncture, taking up of High Level Bridge and Bye-pass road to Kollapur takes more than one year as it involves soil investigation and design preparations for bridge and land acquisition for bye-pass road and bridge approaches. At present, only the work “widening of existing R&B single lane road to double lane road from Nagarkurnool to Kollapur is possible. Hence,he has requested to consider the bridge work and bye-pass road under stage-I and widening of road work without any stage approval. The sanctioned work may be revised and amended as (i) to accord administrative sanction for the work “widening of existing R&B single lane road to Double lane from Nagar Kurnool to Kollapur for Rs. 50.50 Crores (ii) to consider for Stage-I approval towards “Construction of HLB across River Krishna connecting Kollapur in Mahaboobnagar district and (iii) formation of bye-pass road to Kollapur town in Mahaboobnagar district for Rs.10.00 Crores

3. Government after careful examination of the matter hereby issue the following amendment to Para 5 of G.O. 3<sup>rd</sup> read above:
